Welcoming Our Ministers

The Management and Staff of the Ministry of Health and Social Services, congratulates and welcome Honourable Dr. Bernard Haufiku and Honourable Juliet Kavetuna. We are grateful that you have accepted to lead the Ministry, to share with us your experience and bring great benefits. We believe you will contribute greatly to the public health sector and together we can achieve so much for the Namibian people.

At the same time the Ministry bids farewell to Dr. Richard N. Kamwi and Madam Petrina Haingura. It is difficult to see you go. You are leaving the Ministry but your legacy will remain here forever.
