No person shall procure an abortion otherwise than in accordance with the provisions of this Act.

[a2y1975s3]3 Circumstances in which abortion may be procured

(1) Abortion may be procured by a medical practitioner only, and then only-

(a) where the continued pregnancy endangers the life of the woman concerned or constitutes a serious threat to her physical health, and two other medical practitioners have certified in writing that, in their opinion, the continued pregnancy so endangers the life of the woman concerned or so constitutes a serious threat to her physical health and abortion is necessary to ensure the life or physical health of the woman;

(b) where the continued pregnancy constitutes a serious threat to the mental health of the woman concerned, and two other medical practitioners have certified in writing that, in their opinion, the continued pregnancy creates the danger of permanent damage to the woman's mental health and abortion is necessary to ensure the mental health of the woman;

(c) where there exists a serious risk that the child to be born will suffer from a physical or mental defect of such a nature that he will be irreparably seriously handicapped, and two other

medical practitioners have certified in writing that, in their opinion, there exists, on scientific grounds, such a risk; or

(d) where the foetus is alleged to have been conceived in consequence of unlawful carnal intercourse, and two other medical practitioners have certified in writing-

(aa) in the case of alleged rape or incest, after such interrogation of the woman concerned as they or any of them may have considered necessary, that in their opinion the pregnancy is due to the alleged rape or incest, as the case may be; or

(bb) in the case of alleged unlawful carnal intercourse in contravention of section 15 of the Immorality Act, 1957 (Act 23 of 1957), that the woman concerned is an idiot or an imbecile.

(2)(a) A medical practitioner who has issued a certificate referred to in subsection (1) shall in no way participate in or assist with the abortion in question, and such a certificate, or such certificates issued for the same purpose, shall not be valid if issued by members of the same partnership or by persons in the employ of the same employer.

(b) The provisions of paragraph (a) shall not apply to the performance by any person of his functions in the service of the State.

(3) At least one of the two medical practitioners referred to in subsection (1)-

(a) shall have practised as a medical practitioner for four years or more since the date of his registration as a medical practitioner in terms of the Medical, Dental and Supplementary Health Service Professions Act, 1974 (Act 56 of 1974);

(b) shall be a psychiatrist employed by the State, if the abortion is to be procured by virtue of the provisions of subsection (1)(b);

(c) shall be the district surgeon concerned where the foetus is alleged to have been conceived in consequence of rape or incest.

[a2y1975s4]4 Sterilization of persons incapable of consenting thereto

(1) A sterilization shall not be performed on any person who for any reason is incapable of consenting or incompetent to consent thereto, unless-

(a) two medical practitioners, of whom one shall be a psychiatrist, have certified in writing that the person concerned is capable of procreating children and-

(i) is suffering from a hereditary condition of such a nature that if he or she were to procreate a child, such child would suffer from a physical or mental defect of such a nature that it would be seriously handicapped; or

(ii) due to a permanent mental handicap or defect is unable to comprehend the consequential implications of or bear the parental responsibility for the fruit of coitus;

(b) the person who may in law consent to an operation beneficial to that person has granted written consent to the sterilization; and

(c) the Minister has granted written authority for the sterilization.

(2) The person who may consent to an operation as contemplated in subsection (1)(b), is hereby authorized to grant the consent referred to therein.

(3) The provisions of this section shall not be construed as affecting the position in law of any person capable of consenting or competent to consent to an operation on himself.

[a2y1975s5]5 Place where abortion or sterilization may take place

(1) An abortion may be procured and a sterilization contemplated in section 4 may be performed only at a State controlled institution or an institution designated in writing for the purpose by the Minister in terms of subsection (2).

(2) The Minister may designate any institution for the purposes of subsection (1), and subject to such conditions and requirements as he may consider necessary or expedient for achieving the objects of this Act, and may, if in his opinion it is justified, at any time withdraw any such designation.

(3) A decision of the Minister in terms of subsection (2) shall be final.

[a2y1975s6]6 Approval by medical practitioner in charge of institution, and certificate by magistrate

(1) An abortion shall not be procured and a sterilization contemplated in section 4 shall not be performed without the written authority of-

(a) in the case of a State-controlled institution, the medical practitioner in charge of such institution or a medical practitioner designated for the purpose by the first-mentioned medical practitioner; or

(b) in the case of an institution designated in terms of section 5(2), a medical practitioner designated for the purpose by the person managing such institution,

granted on application to such medical practitioner in accordance with subsection (2).

(2) An application for authority in terms of subsection (1) shall be made in the prescribed form by the medical practitioner who is to procure the abortion in question or perform the sterilization in question, and shall be accompanied-

(a) in the case of an intended abortion-

(i) in the circumstances contemplated in subsection (4), by the certificate referred to in that subsection;

(ii) by the certificate or certificates referred to in section 3 issued by two medical practitioners;

(b) in the case of an intended sterilization, by the certificate or certificates, consent and authority referred to in section 4.

(3) If a medical practitioner has issued a certificate for the purposes of section 3(1) and he is at any time such a medical practitioner as is referred to in subsection (1) of this section, he shall not be precluded from granting any relevant authority for the purposes of the said subsection.

(4) Where the pregnancy is alleged to be the result of unlawful carnal intercourse, the abortion shall not be procured unless there is produced to the medical practitioner whose written authority is required in terms of subsection (1) a certificate, issued by a magistrate attached to the court having jurisdiction in respect of the alleged offence in question, to the effect that-

(a) he has satisfied himself-

(i) that a complaint relating to the alleged unlawful carnal intercourse in question has been lodged with the Police or, if such a complaint has not been so lodged, that there is a good and acceptable reason why a complaint has not been so lodged;

(ii) after an examination of any relevant documents submitted to him by the Police and after such interrogation of the woman concerned or any other person as he may consider necessary, that, on a balance of probability, unlawful carnal intercourse with the woman concerned had taken place;

(iii) in the case of alleged incest, that the woman concerned is within the prohibited degree related to the person with whom she is alleged to have committed incest; and

(b) in the case of alleged rape or incest, the woman concerned alleges, in an affidavit submitted to the magistrate or in a statement under oath to the magistrate, that the pregnancy is the result of that rape or incest, as the case may be.

(5) Where it is not proved that any person charged with unlawful carnal intercourse with a female idiot or imbecile in contravention of section 15 of the Immorality Act, 1957 (Act 23 of 1957), knew, at the time of the alleged offence, that that woman was an idiot or imbecile, but it is proved that he had carnal intercourse with her, such carnal intercourse shall for the purposes of subsection (4) nevertheless be deemed to be unlawful carnal intercourse.

(6) If an application complying with the requirements of this section is made to the appropriate medical practitioner referred to in this section, he shall grant the authority in question.
